Dear Parents/Carers

14th January 2021

YEAR 11 WORK EXPERIENCE UPDATE & COLLEGE APPLICATION

I hope that you and your family are keeping safe during these challenging times.

Work experience update

Our two weeks' work experience was scheduled to commence from 22nd March to 2nd April 2021. However, due to the current ongoing pandemic the difficult decision has been taken to cancel this year's work experience. This is to protect our pupils and the local community.

College Applications

I am also in the process of updating my records regarding your child's post-16 plans and would appreciate if you could spend few minutes completing the form below. You can apply for several courses and to more than one college if currently unsure of the correct course. However, you will have to finalise your decision by the start of the summer term so the college can start planning for your child's support needs.

Thank you for your continued support. If you have any questions, please do not hesitate to contact me.

Yours sincerely

Mrs M Nisha
