7th January 2021

Dear Parents/Carers

Y9 VACCINATIONS

We have been advised by the Immunisation Service that they intend to visit Glenwood on Friday 5th February 2021 to administer the vaccinations detailed on the attached letter.

Under the current situation, many Y9 pupils are not currently in school, however we would like to invite you to bring your child in on this day in order to receive the vaccine. If you are able to arrange for your child to be brought in for the immunisation, wait and then take them home again, please ensure they arrive between 9.30 and 9.45am.

Please would you kindly complete and return the form below stating your preference, or you can e-mail, text or telephone the school with your reply.

The above is subject to change depending on Government guidance due to Covid-19 and if the situation changes we will contact you again. In the meantime, please can you give your consent direct to the Immunisation Service as instructed in the letter on the reverse.

Yours sincerely

Mrs J Payne
Headteacher
