22<sup>nd</sup> November 2021

Dear Parents & Carers

Several staff have tested positive for Covid-19.

As per government guidance we have contacted everyone that has been in close contact with the members of staff. We urge you to regularly test your child. If your child tests positive on a LFT you must then book a PCR test. We will send more tests home with your child today.

Should cases continue to increase we will need to run a reduced timetable as detailed below:

Monday	Tuesday	Wednesday	Thursday	Friday
Yr at home	Y8 at home	Yr 9 at home	Yr 10 at home	Yr 11 at home

Whilst at home all pupils should be able to continue to engage with learning through our online resources: Sumdog, Reading eggs and My Maths. There are also resources on our website that your child can engage with including the Oak Academy learning resources.

Please be assured that school is a safe place to be. We are doing everything we can to minimise risks associated with the coronavirus. If the situation changes and more staff are required to self-isolate then we may need to revise the timetable above to include more year groups each day.

Thank you for your support and patience while we try to navigate these difficult circumstances.

Yours faithfully

Mrs J Payne - Headteacher

A University of Chichester  
ITT Partner School
