Dear Parents/Carers

4th July 2022

We have been asked to send you the following information by Hampshire SEN.

At the end of the summer term 2023 your child is due to leave their current educational setting and will be moving on to post 16 education and training. They might already have idea of what they would like to do, when they leave their current setting. If they are planning to continue in education, can you please let us know which Post 16 education setting and course they are applying for. You can find information about options available for Further Education on our local offer at: <https://fish.hants.gov.uk/localoffer>

The Post 16 preference form is attached to this letter for you to complete and return to us. It is important that you visit any setting that you are interested in and that you follow their application process.

Places will be considered in accordance with the SEND Code of Practice:

- the school/college is suitable to the young person's age, ability, aptitude, or SEN
- the placement would be compatible with the efficient education of the other young people with whom your child would be educated,
- the placement would be compatible with the efficient use of resources.

You can either **return your form to school** or you can send it directly to SEN by emailing it to: PFA.Preference.Forms@hants.gov.uk

Return By Date : 11/07/2022

WHERE CAN YOU FIND MORE HELP?

You can get advice or support from Special Educational Needs and Disability Information, Advice and Support (SENDIAS) Service in Hampshire who will be able to offer help and advice. Tel: 0808 164 5504 or visit www.hampshiresendiass.co.uk.

Yours faithfully

Mrs A Williams
