

Class of 2022 – Exam Results

Congratulations to our hard-working Year 11s who so deserve their outstanding achievements.

This year's pupils were the first to sit exams since 2019 due to the Covid-19 pandemic. The classes of 2020 and 2021 had their grades assigned by teachers.

Our pupils took a range of qualifications which has enabled them to move onto their next step in education.

Qualifications Explained:

GCSE: Level 2 Qualification. General Certificate of Secondary Education. Good knowledge and understanding of a subject; ability to do a variety of tasks with some guidance or supervision; suitable for many job roles

FS: Level 1 Qualification. Functional Skills. Provides learners with the fundamental English, Maths and ICT skills that they need for their working and personal lives. Pupils have ability to apply learning with guidance or supervision, qualification may be linked to job competence

BTEC: Level 1 qualification. Business and Technology Education Council. Provides learners with the fundamental skills that they need for their working and personal lives. Pupils have ability to apply learning with guidance or supervision, qualification may be linked to job competence

EL: Entry Level – English, Maths, ICT. Provides learners with knowledge and skills – and the ability to apply learning in everyday situations, not geared towards specific occupations. Each entry level qualification is available at three sub-levels - 1, 2 and 3. Entry level 3 is the most difficult.

ELP: Entry Level Pathway – is made up of a number of separately assessed units so pupil's achievements are recognised as they complete each unit.
