Dear Parents/Carers

SPEECH AND LANGUAGE THERAPY (SALT)

Our Speech and Language Therapist, Rebecca Glasspool, has asked us to send out these universal permission forms to all pupils.

By signing and returning the form you give permission for your child to receive input from the SALT team either individually or as part of small group work. This is particularly important if your child has Speech and Language Therapy specified on their Education Health and Care Plan but also allows the team to work with all children to improve their communication skills.

An information leaflet is also included to inform you of how the service works. Please return the forms to school once completed.

If you have any questions about this, please do not hesitate to contact me via email in the first instance.

Yours faithfully

Mrs A Williams
