19th October 2022

Dear Parents/Carers

YEAR 11 TRIP TO WINCHESTER SCIENCE CENTRE & PLANETARIUM WEDNESDAY 9TH NOVEMBER 2022

We would like to take your child to the Winchester Science Centre & Planetarium on Wednesday 9th November 2022. The trip will give pupils the opportunity to experience a range of engaging and practical activities to enrich their knowledge and understanding of science.

We will be travelling by school minibus and plan to leave school at 9am and return at approximately 2.30pm in time for the usual transport home.

We would ask all parents to pay a voluntary contribution of £5.20 to cover the entrance fee via your child's Scopay account (please refer to our letter off 13th October 2022). We understand that the notice is short but would greatly appreciate payment by Monday 7th November. If you are going to find this difficult for any reason please speak to the office or myself. By contributing to the trip we will also assume your consent to the terms and conditions.

Your child will require a packed lunch unless they qualify for free school meals in which case this will be provided; please also provide your child with a drink/drink bottle (no fizzy or energy drinks please). Pupils will be required to wear school uniform with comfortable shoes and ensure that they bring a coat.

We will expect behavior to be exemplary. If we feel that your child will not be able to manage their behaviour they will not take part in the trip and will remain in school for the day.

Yours faithfully

Mrs Z Bilbe
