Dear Parents & Carers

15<sup>th</sup> January 2023

**ASPIRE, ACHIEVE DAYS**

I am writing to seek your opinion on introducing 'Aspire, Achieve Days'. This would be a day held once every term where parents and carers, with their child, come in for a scheduled meeting with your child's tutor to discuss academic and social skills progress, in addition to any other matters you would like to raise, e.g. updates or changes that would help us to know about your child.

The idea stems from feedback given by parents and carers that progress data reports are not always easily understood and that you would like to know more about how your child is doing in school – are they making good enough progress? Are they on track to meet their targets? What are the barriers? Will they have what they need to go on to college? etc.

As a school team we feel that these days would greatly benefit your child also. There is opportunity for pupils to celebrate the progress they are making and also to be aware of areas where they are not making expected progress and discuss what we can do to support. It will be an additional means of raising pupils' aspirations for their future.

Please complete the below slip and/or email your response to the school.

Thank you for your time.

Yours faithfully

Mrs J Payne  
Headteacher
