Dear Parents/Carers

26<sup>th</sup> March 2024

## **SUBJECT OVERVIEWS**

Following some feedback from the parent and carer survey we have decided to trial some 'subject overviews'.

These will be sent home on a half termly basis and will allow you to see the topics covered by each subject each half term. Also on the overviews are some suggested ways in which you can support your child's learning at home and some key questions which you can use to find out how much your child has remembered about their learning.

We will send home copies of English, Maths, Science and PSHE each term. The overviews for other subjects will be available to view on our school website under the learning tab. We will also email the overviews out to your registered email address.

If you would prefer a printed copy of all subject overviews then you can request this via the main office.

The overviews for this half term are attached to this letter.

If you would like to discuss the overviews, or have any feedback about these, please contact me via email in the first instance.

Yours faithfully

Mrs A Williams  
Deputy Headteacher

A University of Chichester  
ITT Partner School
