Dear Parents/Carers

YEAR 10 FUTURES WEEK: MONDAY 8TH JULY - FRIDAY 12TH JULY

This year, Glenwood will be celebrating careers/work experience week as 'Futures Week' with a range of workshops covering CVs and interviews as well as taking tours of various workplaces. This will provide the pupils with opportunities to experience the world of work, as well as supporting pupils in transitioning from education into their future endeavours.

Timetabling for Futures Week will be confirmed and shared closer to the time.

However, if you wish your son or daughter to take part in a work experience placement instead, please can you organise this and let us know. For example, you may be able to let them carry out work experience at your place of employment for that week or in a local shop, charity shop, leisure centre etc.

Please let the school know by Friday 19th April 2024 if you have successfully found and arranged a work experience placement. If we do not hear from you then we will assume that your child will participate in a "Futures Week", organised and delivered through school.

Any questions, please don't hesitate to ask.

Many thanks for your co-operation and assistance

Yours faithfully

Mrs C de Carteret
