My reference 8-25 Preference Form  
Date 10<sup>th</sup> June 2024

Dear Young Person / Parent/Carer

At the end of the summer term 2025 your child is due to move to the next phase of education (Post 16 education and training).

They might already have idea of what they would like to do, when they leave their current setting, or they may be transferring to their current providers sixth form provision. If they are planning to continue in education, can you please let us know which Post 16 education setting and course they are applying for. You can find information about options available for Further Education on our local offer at:

<https://fish.hants.gov.uk/localoffer>

The Post 16 preference form is attached to this letter for you to complete and return to us.

It is important that you visit any setting that you are interested in and that you follow their application process.

Places will be considered in accordance with the SEND Code of Practice:

- the school/college is suitable to the young person's age, ability, aptitude, or SEN
- the placement would be compatible with the efficient education of the other young people with whom your child would be educated,
- the placement would be compatible with the efficient use of resources.
