Dear Parents & Carers

Thank you for supporting the Autumn Term Aspire and Achieve Day – your attendance and engagement is appreciated. The day was a huge success, lots of valuable conversations, important messages passed on and questions asked/concerns raised. Many of you said how lovely it was to see your child's work and I know you are as proud of their achievements as we are.

I wanted to give you feedback on your feedback 😊

- Every parent and carer said they were happy with how the day went.
- 99% of parents and carers said they were confident about how well their child is doing and what they need to do to make further progress.
- Every parent said they felt they had been listened to.
- When asked if there was anything you wanted to discuss, a few points were raised:
 - One parent said it was too soon since the first Aspire, Achieve Day. I agree – the first trial day was in July because we wanted to wait until Year 11's left. Future Aspire, Achieve Days are spaced further apart
 - Two parents said the day was too early in the term. Whilst we take on board your point there is a rationale for this – it is to catch any concerns early in the term in order that we can put in place any actions that arise from the Autumn term discussion
 - One parent said the home learning needs clear explanation of the task – this has been fed back to teachers and should you have any questions about the work please do not hesitate to contact school to discuss

Thank you again and we look forward to seeing you in the Spring Term for our next Aspire and Achieve Day.

Yours faithfully

Mrs J Payne
