## Our Values and Beliefs

As a community we have high expectations of behaviour and achievement for every member. This policy aims to ensure consistency in the way all staff, students, parents and carers promote behaviour for learning in the classroom and throughout the school. It is based on clear values: mutual respect, fairness and inclusion. The policy promotes building positive relationships and self-regulation, respect and tolerance for others and the importance of actively listening to all members of the school community.

### 1. Aims

This policy aims to:

- Provide a consistent approach to positive behaviour management
- Define what we consider to be unacceptable behaviour, including bullying
- Outline how pupils are expected to behave
- Summarise the roles and responsibilities of different people in the school community with regards to behaviour management
- Outline our system of rewards and sanctions

### 2. Legislation and statutory requirements

This policy is based on advice from the Department for Education (DfE) on:

- [Behaviour and discipline in schools](#)
- [Searching, screening and confiscation at school](#)
- [The Equality Act 2010](#)

- [Use of reasonable force in schools](#)
- [Supporting pupils with medical conditions at school](#)

It is also based on the [special educational needs and disability \(SEND\) code of practice](#).

- Section 175 of the [Education Act 2002](#), which outlines a school's duty to safeguard and promote the welfare of its pupils
- Sections 88-94 of the [Education and Inspections Act 2006](#), which require schools to regulate pupils' behaviour and publish a behaviour policy and written statement of behaviour principles, and give schools the authority to confiscate pupils' property
- [DfE guidance](#) explaining that maintained schools should publish their behaviour policy online

## 8. Behaviour management

### 8.1 Classroom management

Teaching and support staff are responsible for setting the tone and context for positive behaviour within the classroom.

They will:

### 8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a pupil to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- Be applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

### **8.3 Confiscation**

**Any prohibited items (listed in section 3) found in pupils' possession will be confiscated.** These items will not be returned to pupils.

We will also confiscate any item which is harmful or detrimental to school discipline. These items will be returned to pupils after discussion with senior leaders and parents, if appropriate.

Searching and screening pupils is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

### **8.4 Pupil support**

The school recognises its legal duty under the Equality Act 2010 to prevent pupils with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the pupil.

The school's well-being manager will evaluate a pupil who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a pupil, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

## **9. Pupil transition**

To ensure a smooth transition to the next year, pupils have transition sessions with their new teacher(s). In addition, staff members hold transition meetings.

To ensure behaviour is continually monitored and the right support is in place, information related to pupil behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those pupils transferring to other schools.

## **10. Training**

Our staff are provided with training on managing behaviour, including proper use of restraint, as part of their induction process.

Behaviour management will also form part of continuing professional development.

## **11. Monitoring arrangements**

This behaviour policy will be reviewed by the head teacher and the governing board every year. At each review, the policy will be approved by the head teacher.

## **Appendix 2: Our positive approach**

### **Behaviour – The positive approach**

Know your pupils... positive relationships with pupils are the foundation for learning and the key to minimising unwanted behaviour.

- Adopt a consistent approach followed by ALL staff.
- Have fun! Make sure that learning activities are differentiated, engaging and lively.
- Keep a calm atmosphere, tone of voice and positive body language.
- Use clear and concise language: give positive instructions that tell the pupil what you want them to do.
- Say 'stop' instead of 'no'.
- Only 1 person speaks to the pupil (1 voice talking).
- Say the pupil's name first, then give the instruction.
- Allow processing and response time.
- Use distractors and motivators.
- Offer choices – 'do this or this'.
- Use work/reward as often as you need to.
- Give timed warnings that an activity is about to end.
- Use visual support.
- Give positive success reminders.
