Dear Parents/Carers

ACTIVITIES WEEK 2025

We are delighted to announce that Activities Week will be taking place this year in our final full week of the summer term (14th-18th July). Your child has chosen the activities they would like to do for the week and their schedule is attached so you can see what they are doing and where they are going each day.

If your child has a swimming session I would be grateful if you would complete the reply slip attached and return to school by Wednesday 9th July.

Swimming kit includes a swimming costume (no bikini's please) and a towel. You may also wish to send an additional T shirt for your child to wear in the pool as we are visiting the outdoor lido. Lifeguards will be on duty.

If there are additional permission forms attached, these are for individual visits and need to be completed and returned by Wednesday 9th July for your child to go on the trips.

The attached sheet shows what your child should bring each day, in addition they may bring spending money each day if you wish. We suggest a maximum of £5 per day.

If you have any questions, please do not hesitate to contact school directly.

Yours faithfully

Annie Williams
