13th October 2025

Dear Parents and Carers,

Information Evening- Wednesday 12th November 4:00-7.30pm

We are holding an Information Evening for students as part of our offer to provide independent advice to our young people and their families. We have organised for several professionals to attend from various SEN establishments, including local colleges. These professionals are available to show parents, carers and young people what is available beyond Rachel Madocks.

It should also give everyone a chance to make an informed decision as to where students may go once they leave the school. In addition, we will have representatives from SEN and Adult Services, home services and various clubs.

We would encourage all Year 10 and above students to attend with their parents and carers and refreshments will be available in a relaxed atmosphere.

Please complete the slip attached and return to school by **Friday 7th November 2025**.

Yours Sincerely,

Mave Ash

Post 16 lead

Please return by Friday 7th November:

To: Mave Ash

I / We are able/ unable to attend the Information Evening being held at school
on Wednesday 12th November 2025.
