12th November 2025

Dear Parents/Carers

**YEAR 8 VISIT TO THE SEACITY MUSEUM -
TITANIC DISCOVERY SESSION AND WORKSHOP**

To discover more about the passenger and crew's experiences of being aboard *RMS Titanic* (which we are exploring in the Real-Life Stories of Survival and Loss unit), we will be visiting the SeaCity Museum in Southampton on Tuesday 2nd December 2025, leaving at 9.30 and returning at 2.30. Pupils should bring a packed lunch; this will be provided for pupils who qualify for free school meals. School uniform should be worn.

During the Discovery Session, pupils will view the Crew Wall (many of whom were from Southampton), venture along the Southampton 1912 Corridor with photographs from the time, undertake activities in order to prepare for departure, look at the Map Room and listen to stories in the Deckchair Area.

There will also be a workshop during which pupils may dress up as specific passengers and crew members, practise Morse Code, handle artefacts, conduct a scientific experiment exploring why the ship sank and discuss 'Who to save in the lifeboat?'

Although every child is being offered the opportunity to participate in this amazing learning experience, we are requesting a voluntary contribution of £5 towards the entrance fee.

Our aim is to inspire the pupils to delve into, reflect upon and honour the stories of real-life people.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Mrs A-M Willis
